

Creative Writing

Join our fun and inspirational Creative Writing Workshops run by local author and creative writing tutor, Donna Blaber. Donna has written more than 40 books for publishers in New Zealand, Australia and the UK.

Attendees will have the opportunity to hang out with Donna for the day, ask as many questions as they like about writing and the creative process, and learn lots of new ways to bring their writing to life in the following workshops:

Create Gripping Plots - Thursday 20th April 2017

In this fun and rewarding workshop, children will learn new ways to create a wide range of interesting story ideas. If you've ever been stuck, staring at a blank page or thought "Um, what should I write next", then this workshop is for you!

How to Write Descriptively - Friday 21st April 2017

In this workshop children will learn new ways to write descriptively using a wide range of tips and tricks. They'll learn how to keep the description simple so it is rich yet easy to read, and learn where and when to add description into their stories. Donna will also teach children how to incorporate elements and sensory details to create a variety of atmospheric settings.
